1. Each 50/50 Club membership will cost £12 per year per number allocated, for each subscriber.
2. Subscribers may purchase more than one number.
3. Mark & R.A.M Lodges in the Province of London may have a 50/50 Club Lodge Membership.
4. Each subscribing Individual Member and Lodge will automatically become members of the 50/50 Club.
5. If any person is a member of more than one Mark Lodge it is entirely his own decision whether to purchase a further membership of £12 through any of his other Lodges,
6. The Lodge Treasurer/Charity Steward is requested to collate the list of Members wishing to purchase a number and deliver it to the Provincial Charity Steward, sending either a cheque or bank transfer and using the separate Membership List pro-forma supplied to Lodges.
- 7.. Brethren who already participate in the 500 Club Draw by way of a Standing Order need take no further action, unless they wish to purchase additional number(s).

50% of the total monies received will be donated to Charities approved by the PGM and the remaining 50% will be paid out as prizes ranging from £500 to £100 according to the amount of the Bank Balance at the time of the Draw, which will be held Annually at the Provincial Grand Steward's Lodge meeting in June. This will be done by way of an Electronic Random Numbers programme and witnessed by all those present, including members of the Provincial Executive.
