

## Calling all London Mark Mason Golfers.....

I am delighted to tell you that our Provincial Grand Master, RW Bro David Ashbolt, has consented to the formation of a new London Mark Golfing Lodge, to be called the '**Albatross Lodge**'. It will be open to golfers of all standards as well as to those who are interested in the game.

The aim is to consecrate the Lodge towards the end of 2018, and to do so it will need Founder Members.

If you have never been a Founder member of a Lodge and/or never been to a Consecration, this is your golden opportunity to become one and to be involved in the birth of this new and exciting entity.

As Mark Master Masons you have already made your Mark now step up to the tee and make a firm drive to become a founder of this New Mark Lodge!

For now, I need you please just to register your interest with me. The consecration date and meeting dates will be confirmed later in the year.

Many thanks and I look forward to hearing from you,

Jerry Gangadeen
