

Bond Briefing Sheet

Before we can set off on this mission, there are some instructions from the Cashier's Department which we have to enforce. So, as a reminder you will be asked to proffer your signature, whether digitally or by actually writing it down. Rather quaint old-fashioned ideas some people have, what?

Jolly good. Now, we have set up a cover organisation which we need to use for getting your expenses passed by Section SF.

The way it's been set up is ingenious. It is under the umbrella of Italia Lodge of MMM No. 1467. To kick things off you need to show that the account you are using is active so we suggest that the best way to do this is by using your account to send us some money. This will allow you to participate in the mission, and at just £49 per person it's a steal!!

All you have to do is to send a cheque to our resident agent:

Edoardo El-Attrache 13, Sulgrave Road, London W6 7RD

you could even try this new-fangled thing of sending it from your Bank into the Account of Italia Lodge of MMM, A/c No: 80515922 Sort Code 20-75-01 Then cut the booking form off as indicated below and send to Edoardo, by either Method. Thank you.

See you on the night. Jolly Good Hunting.
