Dear Marios

Annual Charity award, 2019-2020

Many Thanks for your Grand Lodge consideration of an award to our Charity for the year 2019-2020, especially for the personal support given by your provincial Grand Master, RW Bro Thomas Quin for the nomination. We acknowledge safe receipt of the granted funds of £2,200.

Our Trustees are overwhelmed by the generosity of your members, and know it will be put to future good use in our efforts in support of the Agoonoree aims and principles. Details are available via Agoonoree.org

It's at this time of year that preparations are underway for the annual Agoonoree Camp, which would consist of over 80 members, consisting of both Scouts with Special Needs and able bodied volunteer helpers. The Trust provides funding towards overall Camp costs, as part of the support for which the Trust was formed back in 1969.

Unfortunately, due to the Covid-19 pandemic, this year it will not be possible to hold the Camp in it's usual format; Instead, the responsible Leaders and Volunteers hope to be able to offer a virtual Camp and activities during the week that will be shared with all those due to attend. Next Year's Camp is to be held at Moultsford over the week 31 July – 7 August. Of course the Trust welcome applications for individual, Group and County Scout Events, even providing support to Scout Campsites that require Disabled Facilities.

Please pass on our good wishes for a successful year, to your members
With Kind Regards

Trevor A Quinton, Chair of trustees
