The PGM Writes...

We are now some 11 weeks into lockdown and the suspension of our Masonic activities. The beautiful sunny weather also seems to be suspended, so I have taken the opportunity to stay indoors and write up another report on what has been happening across our Province since my previous letter in April.

Danish Chocolate Gateau

Hello Brethren all and welcome to recipe of the month (no not that one, this one). This is a new feature we are going to run in every issue of the *London Mallet*.

So, we'll start off with something simple.

This recipe came to me from my Grandmother on a barely readable scrap of paper. When my Grandfather passed away around 1970 my Grandmother was befriended by a Swiss

neighbour whom we knew very well. The recipe came from him hence, perhaps, the name. Give it a go. It really is very good, especially if you're in training to become the next strongest man in the world, as it contains around 3 million calories!

Feedback is more than welcome, good, bad, or indifferent. Photos as well, please, so if you muck it up we can all have a good laugh at your expense!!

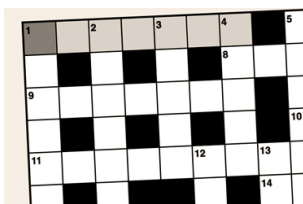

Keep safe and keep cooking.

Photo Competition

During these trying times, a competition has been launched which may assist in keeping your spirits up! We'd like you to send us digital prints of anything you have photographed during the past 6 months – whether it be a pet, landscape, person, inanimate object or just a beautiful view of your garden - anything which could bring joy to those many members who are feeling the strain of lockdown. Tom's Boredom Buster

To help you while away the hours of lockdown, here is a crossword and the winner will receive a prize of £25 courtesy of the Provincial Grand Master. [Read more](#).

Opportunities to help your Province

We are looking for a Year Book Editor, web / social media content managers and photographers. For further information about these high-profile roles, please contact [Chris James](#).
