### **Provincial Grand Master’s Address**

Brethren, I would like to begin my first ever Address, by asking for a very special demonstration of appreciation and affection. There is a Brother who is not with us today. Someone who has not missed a Provincial Meeting for over 20 years and quite possibly has attended every Annual Meeting since this Province was founded in 1990. It is through his hard work and many successes, building on the excellent foundations laid down by his predecessors, that we have such a vibrant and expanded Mark Province of London. He is of course R.W. Bro. David Frederick Ashbolt. Goodness knows what he is doing this afternoon. He will be beside himself with curiosity, wondering what is going on here today. I half expected to see him peeking from the balcony and although he is not here in person, I know that his thoughts are with us. Brethren, particularly the Members of the Province of London can I ask you to show your appreciation and thanks for his magnificent past services, even in his absence – by applauding our Past Provincial Grand Master and for that fact to be recorded in the Minutes for him to read in due course.

Deciding what to include in the remainder of this, my initial Address has been a difficult task. As an expatriate Scot standing in these awesome surroundings - the very heart of English Freemasonry, I did think to seek the guidance of my nearest neighbours - the PGMs in the Provinces of Middlesex and Kent, but as it would appear that Grand Secretary has been on a recruitment drive North of the Border, they themselves are similarly disadvantaged!

Brethren today is an important occasion in the life of this Province of London. This Annual Meeting is an opportunity not only to reflect on the year just passed but also to consider what the coming 12 months will bring.

The achievements as at the end of this current year are illustrated by some of the following statistics: -

- ✓ Number of Advancees- 115
- ✓ Number of Elevations- 88
- ✓ Number of Joining members (Mark)- 197
- ✓ Number of joining members (RAM)- 95

Our total Membership (excluding multiple memberships) now stands at;

- ✓ Mark- 3229
- ✓ RAM- 1913

And then we come to the number of new Units Consecrated.

Following on from the spate of Consecrations in the year to July 2018 we have this year, consecrated another two Mark Lodges (Albatross & Ralph Reader) and two new RAM Lodges (Italia & Centenary) plus one Reponement bringing our total numbers to 103 Mark Lodges and 83 Royal Ark Mariner Lodges. Significant as these numbers might be, they could not have been achieved without the support of the London Brethren, here in such great numbers today. Brethren on behalf of the Province I salute you and thank you for the level of commitment and loyalty you have shown. As an illustration we have members of the Ralph Reader Lodge here today, resplendent in their Scout neckerchiefs and unique ties. Well done Brethren. But the story does not end there as, amongst the first of my Official duties later this year will be to Consecrate 3 new Mark Lodges.

The first one is the Locomotion Lodge – a themed Lodge for Brethren associated with the Railway Industry. Brethren we have 40 Founders for this new Unit. What's the chances that there is someone out there today who would like to have the honour of becoming a Founder and making the number over 40? Tim MacAndrews has an Application Form! Please seek him out after the meeting. Similarly the other Lodge to be Consecrated has a theme – Rugby. The Spirit of Rugby Lodge where the Founders are supporters, players, enthusiasts of the Game of Rugby. Once again Application Forms are available. John Ellis is the APMG who will gladly take the details and provide more information to anyone interested. And lastly but by no means least we are in the process of gathering Founders for a Lodge devoted to Sikh Brethren – The Khalsa Lodge. More of that later in the year.

All of these previous and planned Consecrations have required a tremendous amount of work on behalf of the Secretariat and the Ceremonial Teams. Work which has been over and above the many and varied routine matters of this large Province. W. Bro. Alan White in particular has been extremely diligent in all the areas of his Provincial Secretariat responsibilities and these Consecrations in particular. He stands down today at his own request to concentrate on other areas of his Masonic interests, as he is off to assist Grand Secretary, by lending his considerable skills and experience to a new project intended to deliver a tool kit of documents and processes to ease the workload on Lodge Secretaries and Scribes; and to concentrate his energies on Other Masonic Orders and in particular Metropolitan Grand Lodge, where he has recently been appointed to SLGR, for which also I tender sincere congratulations. Bro. Provincial Grand Director of Ceremonies would you please present W. Bro. Alan White to me.

Alan you depart from our Executive Team with the very best wishes of David Ashbolt and myself for a job excellently done. W. Bro. Alan White was presented with suitable gifts as a token of the Province's appreciation of his past services.

Also standing down today as our Provincial Grand Chaplain is W. Bro. the Rev. Michael Seymour-Jones. Those who have been present at our several Consecration Ceremonies over the past few years will, I am sure, recollect the wonderful Orations he has delivered on each occasion. These have all been interesting, educational and entertaining. Bro. Provincial Grand Director of Ceremonies would you please present W. Bro. Michael to me.

Brethren in a Province such as this where there are so many hard working and dedicated Members, one of the most difficult tasks is to single out a Brother for the PGM's Award of Merit. Bro Michael, I am delighted to inform you that this year the choice has fallen upon you – and so on behalf of R.W. Bro. David Ashbolt and the Province, I have the greatest of pleasure in awarding this to you and to present you with this Token and this Certificate which has been signed by David to mark his thanks and regard for the duties you have ably and faithfully discharged during your term of Office.

Also retiring today after a stint of 5 years is one of the most effervescent and enthusiastic APMGs the Province has ever boasted. W. Bro. Henry Hobson. Unfortunately, Henry has had to rush home to deal with an urgent domestic matter and I will have the greatest of pleasure in investing him with his Past APMG collaret on a future occasion.

Amongst our several other Brethren retiring in rotation, are our Provincial Grand Wardens. Sadly, Chris James our Junior Warden is not well enough to be present today and our feelings of regret that he is absent are absolutely eclipsed by his own disappointment that his convalescence after major heart surgery is keeping him away. During the year he has managed the team of Provincial photographers, supervised the publication of the Provincial Yearbook, The London Mallet and communications in general. He has been very ably supported by his Team of Richard Criddle & Andy Bull and I thank them all very sincerely for their hard work.

My special thanks also, go to W. Bro. Howard Markham for stepping in to the breach to act as Junior Warden for the Opening of Provincial Grand Lodge and for dealing so admirably with Provincial Grand Junior Warden duties. And to David James our outgoing Senior Warden, an extra thank you for all your additional work in overseeing the content and timely submission of Lodge Summonses: plus, special congratulations on being appointed the Senior Warden for the Craft Province of West Kent. That Senior Warden's chair in the West David, most certainly has the imprint of your posterior upon it!

Brethren, not standing down today (much to my relief) is our Provincial Grand Treasurer, V.W. Bro. Stephen Fenton – now entering his 11th year in that Office. Stephen, your record stands for itself as you safeguard the Province's money so well, by refusing to be parted from it! So, I would ask the Brethren of London to show their appreciation for all the good work you do.

And on the subject of money I turn now to Charity and in particular to this Province's tradition of presenting a special award, in memory of one of our great, late, Charity Stewards and APMGs, V.W. Bro. Desmond Bowditch - the Desmond Bowditch Purse goes to the Lodge which has contributed proportionately most to our Charities. This year that distinction falls on the Bon Accord Time Immemorial Lodge – the first Mark Lodge in our Province to achieve MBF Diamond Patron Status. Bro. Provincial Grand Director of Ceremonies will you please present W. Bro. Andy Rapley to me, to accept this award on behalf of his Lodge.

Charity, as we all know sits at the heart of everything we do within the Mark Degree and whilst I am happy to commend the efforts of our stalwart Charity Stewards, W. Bros. Attilio Grandani and Marios Stylianides, it is you, the Members of the Province who put up the cash and support their initiatives. On behalf of the MBF and all the individuals and worthy causes who benefit, I extend my thanks and heartiest congratulations for your generosity.

Alongside our charitable activities however there is the important element of Ritual and Ceremony. MMH being the home of the Grand Master's Lodge of Instruction naturally attracts mostly, but not exclusively, London Brethren to its membership. I currently have the great honour to be Preceptor of that Lodge of Instruction – and over the past few years it has given me great pleasure to support a number of Brethren in their endeavours to strive for excellence in the delivery of our Mark and Royal Ark Mariner Rituals. The top award in London for a WM who delivers an excellent Advancement Ceremony for a Candidate, is the Silver Pin and this year's recipient is W. Bro. Richard Roscoe of Irenic Lodge.

Richard not only performed the Ceremony to a first-class standard in February in his Lodge but attended the Grand Master's Lodge of Instruction Festival in York in April and performed that excellent job all over again. Bro. Provincial Grand Director of Ceremonies will you please present to me W. Bro. Richard Roscoe so that I may present him with his Silver Pin.

This morning Brethren, I had the great pleasure of appointing and investing the 'Chains', who will assist me in governing this large Province of London. W. Bros Tim MacAndrews, Cliff Sturt, David Lucas, Wes Hollands and John Ellis, all bring to our top table, a wealth of talent and a huge range of experience across the whole spectrum of Freemasonry and I am looking forward to working with them to enhance the enjoyment of the Mark & Royal Ark Mariner Degrees for the benefit of the Province in general and all its members in particular.

Also coming on board today, we have a new Provincial Grand Secretary, a new Provincial Grand Director of Ceremonies plus a number of other new faces in their teams. Their hard work started many weeks ago in the run up to the organising of this Meeting and I am sure you will want to join with me in thanking them and wishing them every success in these challenging roles Brethren.

During this day of many high spots Brethren, has been the opportunity this afternoon, for me to appoint and promote some 205 of you to Provincial Office. These honours are given in recognition of your services to the Province and as an encouragement and indeed an expectation for you to consider further support for your Lodges and renewed interaction with the Province.

That can take many forms – joining the Delegations which accompany the Official Visitor on his annual visits to his Lodges; supporting Provincial events and social functions; offering your services to your Lodge or the Province to ensure their smooth and effective operation and I look forward to hearing good reports of your activities as we progress through the year 2020.

I cannot miss out the Musicians from this list of thank you's – our Provincial Grand Organist David Cresswell, recently re-appointed by UGLE as Grand Organist (congratulations David) and our very own London Brass Ensemble, under its conductor Eddy Thompson, has become such a well-known and integral part of the London Meeting – it would just not be the same without you and we all look forward to the medley of tunes which you will play during the Alms Collection in just a few minutes.

We have continued the London tradition this year of receiving our Processions of Nonagenarians, Masters and Commanders & of course Newly Advanced Brethren. To the Nonagenarians I say thank you for your many years of service to the Mark Degree. To the Master's and Commanders congratulations in attaining (or re- attaining) the Chairs of your respective Units; and to the Advancers – congratulations on deciding to join this beautiful and important degree in Freemasonry. You are naturally all equally welcome into this, your Provincial Grand Lodge this afternoon – but there is one of your number in particular that I would like to single out for a special mention.

Bro. Thomas Clarke would you please stand. Brethren, this young man was only Advanced into Maguncor Lodge at 6pm last night – a mere 23 hours ago and it was my great pleasure to attend and to contribute to the Ceremony. I wish all of our new Advancees a long, happy and successful career in our wonderful Mark Degree.

For the immediate future Brethren, you should not expect to see any significant changes in the activities of this Province. Our Social Functions will continue, and plans are already in place for the End of Year Party on

6th December and the Burns Weekend at Bournemouth from 17th to 19th January, where we have already sold more than 1/3rd of the available places.

I would like however to see some further stimulus in the standard of presentation of the Elevation Ceremony and will shortly be announcing the creation of a new Award for Excellence in the Royal Ark Mariner Ceremony. And Lodge Charity Stewards can sleep easy in their beds for a few months yet, as the Executive has not yet decided on the focus which we will bring to bear on any major Charity Event – so do use this quiet period to consolidate and recharge your Charity Account bank balances! But do encourage your Members to sign up to the 500 Club, which we will have to rename very soon as membership is now in excess of 700 – and of course please be ready with willing hearts and hands to buy one of the MBF Festival lapel badges, which are on sale now.

I hope you will all take away many happy memories of this day Brethren. Thank you once again for your many messages of congratulations. It is a great privilege and honour to have the opportunity to serve you in such a responsible capacity and it is my earnest hope and prayer that together in this great Province of London, we will build upon the foundations - firmly laid by our predecessors in Brotherly love, Truth and Charity, and that all of us will spare no exertion to inspire further generations of Craft and Royal Arch Masons to join us in the Magic of the Mark Degree.

May the Great Overseer of the Universe preserve you all in good health and bless and aid you all in your labours.

#### To collect Alms

Alms were collected and raised £2,761.06 (plus Gift Aid where appropriate) in aid of the Provincial Benevolent Fund.

#### To consider any other business

The Provincial Grand Secretary reported that he had received apologies from a number of Provincial Grand Masters, Brethren from other Provinces and Brethren of this Province, all of whose names have been duly recorded. All have sent their best wishes to the Provincial Grand Master and all present.

The Provincial Grand Secretary having no further business to be brought before Provincial Grand Lodge, it was closed in due form at 17:55. All present then joined in singing the National Anthem followed by Jerusalem as the closing hymn. After which the Provincial Grand Master Retired in Procession.

## REPORT OF THE PROVINCIAL GRAND SECRETARY

This is my first annual report as the Provincial Grand Secretary of London.

I will start by thanking my predecessor, Alan White, for the extensive handover procedure undertaken to allow as smooth a transition period as possible.

I would also like to place on record my sincere thanks to Simon Walsh, Gurdeep Virdee & John Waggott for their support in performing their respective duties and responsibilities. Today Gurdeep has been promoted within Provincial Grand Lodge but will remain an integral part of the Secretariat team. We also welcome Forbes Cutler as part of the team. Forbes has already provided some inspirational new initiatives and has quickly settled into the role.

The Province now has-

105 Mark Lodges, following 3 further Consecrations, but the loss of 1 Lodge to unattached status.

83 RAM Lodges, with 1 further Consecration planned for the early part of the next Masonic Season.

At the time of writing the Province consists of 3219 Mark memberships, comprised of 2387 members.

This is 14 memberships and 9 members less than this time last year.

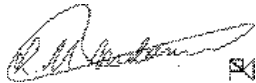

There are 1946 RAM memberships, comprised of 1621 RAM members. This is 33 memberships and 16 members more than this time last year.

This year there have been 115 Advancements (down 6 on 2019) and 158 joining members (down 39 on 2019).

Whilst there have been 130 Elevations (up 41 on 2019) and 29 joining members (down 66 on 2019).

These figures however are skewed due to the 4 months lost to the General Suspension of all Masonic Activities,

I, like you all, very much look forward to when we can once again enjoy each other's company and resume our Mark Masonry.

Robert M Anderson.  
Provincial Grand Secretary.

## REPORT OF THE PROVINCIAL GRAND TREASURER

Brethren

The Provincial finances remain stable and the overall result is an improvement over that for 2018; the surplus for the year is £12,472.

Continuing and special thanks are due to Champak Mistry who greatly assists me by collating and recording accounts submitted by the individual Lodges in the Province. He has also agreed to be one of the account examiners. Sadly, Geoffrey Aldridge, an examiner since I became Provincial Treasurer passed away during the year; he will be sadly missed. Peter Cornish stepped down at the same time. I would like to express my gratitude to them both for their work, co-operation and friendship for many years.

Our reserves now amount to £107,001.

Once again, I will not be seeking any increase in Provincial dues at the present time; neither will I be waiving Provincial dues during the Covid 19 pandemic.

Stephen Fenton  
Provincial Grand Treasurer

Incoming resources for the year amounted to £5,203 (2018: £11,923) and the combined cost of grants paid out amounted to £8,000 (2018: £18,577).

At the balance sheet date the Fund of Benevolence had a total bank balance of £124,191 (2018: £126,976).

**RESERVES POLICY**

Funds are retained as it is the practice to make substantial donations from time to time and investments and income therefore must be maintained to further this policy.

The Trustees consider that there are sufficient reserves held at 31 August 2019 to manage any foreseeable downturn in the UK economy. The Trustees consider that there is a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future and, for this reason, the Trustees continue to adopt the going concern basis in preparing the financial statements.

Reserves for the restricted and unrestricted funds total £124,698 at the year-end (2018: £127,711). At the same date the total restricted funds are £nil (2018: £nil).

**PLANS FOR THE FUTURE**

The Trustees plan to continue the grant-making activities in future years providing support to appropriate beneficiaries.

**INVESTMENT POLICY AND PERFORMANCE**

MARK MASTER MASONS' OF LONDON  
FUND OF BENEVOLENCE  
STATEMENT OF TRUSTEES' RESPONSIBILITIES  
FOR THE YEAR ENDED 31 AUGUST 2019**

**TRUSTEES' RESPONSIBILITIES**

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the year and of the charity's financial activities during the year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards). In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- follow applicable UK Accounting Standards and the Charities SORP, disclosing and explaining any departures in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The Trustees are responsible for ensuring that adequate accounting records are maintained that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity, and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and ensuring their proper application in accordance with charity law, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT  
YEAR ENDED 31 AUGUST 2019**

**INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE PROVINCIAL  
GRAND LODGE OF MARK MASTER MASONS' OF LONDON FUND OF  
BENEVOLENCE**

**Opinion**

We have audited the financial statements of The Provincial Grand Lodge of Mark Master Masons' of London Fund of Benevolence for the year ended 31 August 2019 which comprise the statement of financial activities, statement of financial position, and the related notes, set out on pages 8 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 August 2019 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended; and
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Charities Act 2011.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

## INDEPENDENT AUDITOR'S REPORT (continued)

### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

### Respective responsibilities of Trustees

As explained more fully in the Trustees Responsibility Statement, the Trustees' are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

## INDEPENDENT AUDITOR'S REPORT (continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the Trustees use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

This report is made solely to the charity Trustees, as a body, in accordance with section 144 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**Report of the Provincial Grand Almoner**

Provincial Grand Master and Brethren, this my third report to Provincial Grand Lodge – what a strange year it has turned out to be! Masons relish being involved in, and entertained by, our meetings, ceremonial, and social interaction; in particular, in Mark and Mariner – the ‘friendly’ degrees – we so look forward to regularly having some fun with old, and new, brethren and friends. But, suddenly and shatteringly, the dismal events of the last months seemed to snatch all those pleasures away from us.

Even as we slowly understood that the Covid-19 outbreak was not ‘just a flu’, but actually a direct and serious threat to life in the UK, the general announcement by the Rulers in Mark, Craft, and the Supreme Council suspending all masonic activity for at least four months still came as a shock. Our regular, hugely enjoyable, formal and social interactions ‘just stopped’ but, I am delighted to say, it proved impossible to keep that indomitable masonic spirit down for too long.

First, Lodge Almoners, together with Secretaries and Scribes, rapidly picked up the reins by reinforcing and then regularly maintaining direct contacts with their members. Since those early efforts to re-establish the fabric of our masonic life, we have seen an impressive explosion of ideas and activities across the various Orders and Degrees – Zoom gatherings, newsletters, “T@3”, “9 o’clock Toasts”, talks, lectures – many of which have been opened up generously to wider audiences, and many led effectively by our ‘younger’ brethren.

General contacts between officers and members, and between individual brethren in each lodge, also blossomed, bringing warmth, reassurance, and physical or financial help as and when required. This, given the age catchment of many of our members, and the health vulnerabilities of a significant number, proved important in sustaining morale and commitment – as it turned out, in both directions. One Almoner highlighted a positive aspect in this dreadful situation: he said that since increasingly phoning his members and spending time really talking to them, he felt he, “knew them as people, so much better than ever before”.

Very sadly, if perhaps inevitably, we have lost some of our brethren in or from this pandemic; we send our sincerest and heartfelt condolences to their loved ones, and will continue to hold them in our thoughts. We can only be thankful, however, that, as a result of the cessation and by observing Government guidelines from the outset, a potentially wider impact on the Province’s membership appears to have been contained.

After some 9 years on the Care & Welfare Committee, two as Assistant, and the last three in this privileged position, new masonic duties here and elsewhere mean that I am stepping down. It is, therefore, especially important to ‘mark’ those who have assisted with the work across the Province. First, thanks to the Provincial Assistant Almoner, W.Bro. Bryan Wakely, and the members of the Provincial Care Committee. Then, the Provincial Grand Master and his senior Executive who, as so amply demonstrated in these last months, are always quick to provide support and advice for our brethren and families. Next, do not forget the many Mark brethren that, while not official almoners, readily provide support for individual brethren and friends. Lastly, but certainly not least, we must all say a heartfelt thank you – to your Lodge Almoner, for his invaluable efforts that have proved so useful over this last year.

Let me stress here that no lodge almoner, or indeed individual volunteer, is expected to deal with problems alone, particularly where more difficult or long-term issues arise. The Provincial team exists to provide support. Congratulations to the new Almoner, W.Bro. David Nunn, who I know will soon be in contact.

All good wishes, Brethren, for a future not so clouded by ‘the virus’ – please look after yourselves ... Mark Well, and stay Safe!

Peter Brindle
