12<sup>th</sup> January 2021

Dear Rohit,

Following our recent successful Christmas Hamper Project, we would like to thank West London Masonic Centre for their generosity and support to our organisation.

Between 21/12/20 and 24/12/20 the project enabled us to deliver a total of 330 hampers and nearly 600 new gifts to vulnerable children and families. We worked in partnership with 12 primary schools, NHS Trust, Children's Centres, Churches, and other professional bodies. It was a large community cohesive effort with a team of just under 100 volunteers working together for a total of 8 weeks.

The support from your organisation allowed us to provide over 60% of the vegetables required for these hampers. I would also like to highlight that the quality of the produce donated by yourselves was good quality and very well received. The purpose of our hampers was to ensure that all families regardless of their current hardship would enjoy a healthy and nutritious Christmas and Boxing Day meal and their children a new toy/book to open. Our organisation felt that this provision would relieve some of the added pressures many families experience at this time of year.

Due to the success and feedback received we now endeavour to deliver this service for families on an annual basis. Should your organisation wish to continue to support and be a part of our work with families please contact me to discuss this and any of our future programmes.

Kindest regards

**Naomi Rattrey**
