PGM's address as given at the Annual Meeting on 13th July 2023

fundraising and charitable events; and still finding plenty of opportunities for the serious or formal side of our Mark Masonry.

There have been 2 organised excursions to the Tower of London to accommodate the number of you who sought to witness the Ceremony of the Keys; the Provincial Golf Day at Leatherhead; Provincial Officers' Mess Lunch at the Union Jack Club and a dinner in the beautiful surroundings of Bakers' Hall, where we will be returning for the Autumn Mess Luncheon on 6th October. There was our End of Year Party at the Holiday Inn and of course the Annual Burns Event in Bournemouth.

The consecration of Prince Michael of Kent Lodge in Bucharest and the subsequent Consecration of two R.A.M. lodges in the District of Romania, were also well supported by London Members, who gave further support to R.A.M. Elevation and Installation Ceremonies in that country. Freemasons Without Borders, our largest London Lodge by memberships, has lived up to its name by taking two of its meetings outside of England, one to Edinburgh and one to Gibraltar; and we look forward to supporting R.W. Bro. Cristian Mihutoiu by travelling in force to Bucharest in September to see him perform an Advancement Ceremony, as that London Lodge's newest W.M.

We have had a Banner Dedication at Aegean Lodge, the Centenary celebrations of Public Schools Lodge with another four Centenaries planned for next year; plus a 150 Year Celebration for New Era Lodge. The Province continues to grow, as we have Consecrated a new RAF Lodge and Reopened the former Gibraltar

Brethren this is now the fifth time I have had the pleasure and honour to address you as PGM.

So can I begin by welcoming you all again formally and thanking you most sincerely for your attendance and support here in London within these iconic surroundings – the very heart and soul of English Freemasonry.

Our Annual Meeting is a time for looking forward to the start of a new Mark Masonic season but also the opportunity to reflect on the activities or at least some of the activities, of the past 12 months. And what another wonderful year this has been once again for your Province of London. We have worked hard and played hard, combining leisure and social activities with

Lodge as a new lodge for Secretaries. And we will be keeping Grand Secretary busy next season too, when we present Petitions to Consecrate another 3 Royal Ark Mariner lodges for Irenic, Loyalty and RAF. Those proposed Consecrations will take our numbers to 109 Mark Lodges & 90 RAM- that's 199 Units – just one short of the magic 200 Lodges!!

Our membership numbers are more than keeping pace with losses. Since our last Annual Meeting we have Advanced 133 Brethren and Elevated 106. Plus we have seen 149 Joiners in the Mark and 53 in R.A.M. taking our overall numbers to 3,400 Mark and 1,900 RAM members. Brethren you are all great recruiters for your Lodges – keep up the good work! Remember that the Province will continue for another year to pay the Grand Lodge Registration Fees for Mark Joiners and Advancements.

I am delighted to see so many of our newly Advanced Brethren here today. Amongst them is Brother James Ballantyne of Maguncor Lodge whose ceremony of Advancement and Festive Board only finished at 10 p.m. last night. Brother Ballantyne would you please stand and take a bow; and indeed would all our new Brethren of the season please stand so that you can be acknowledged and welcomed by us all.

Innovations this year have included the building of our own Travelling Ark, courtesy of V.W. Bro. John (Noah!) Ellis. This symbol of Royal Ark Mariner brotherly affection is intended to promote good attendance and inter-Lodge visiting between Royal Ark Mariner units and a formal programme will be in place for the start of the new season. My

thanks to the WC of Connaught Army & Navy Lodge, for carrying the Ark today and presenting it to Provincial Grand Lodge.

In our Welcome Packs we now include a newly designed explanatory booklet for our new Members and our Business Cards for issuing to potential candidates at Chapter meetings. Another marvellous opportunity for introducing Royal Arch and Craft masons to the Magic of the Mark Degree.

One of the impacts of Covid and Lockdown was the non-production of our Year Book. But thanks to the sterling efforts of W. Bro. Andy Bull of Ubique Lodge, this publication has been revived and copies of the new 2023 edition are available and will shortly be distributed to all Lodge Secretaries.

Alongside our efforts towards our own membership drive, we were pleased to support the Metropolitan Grand Chapter's Awareness Event at Freemasons Hall; and of course you are all aware of our support for the Metropolitan Grand Master's Air Ambulance Appeal, when, along with others I cycled in the London to Brighton Charity Bike Ride! Brethren your contributions to that Appeal both from Lodges and individuals is nudging towards our target and on your behalf I hope to be able to present a large cheque to Sir Michael Snyder at the London Grand Ranks Investiture Meeting on 1st November. Brethren of the Mark Province of London the level of your charitable givings to a whole host of beneficiaries is outstanding – particularly to the Mark Benevolent Fund to whom you contributed well in excess of £50,300

towards the 2023 MBF Festival. I applaud your generosity.

These are only some of the highlights of 2022/2023. For a more detailed and comprehensive list, I commend to your attention our London Group Facebook page and Website and our quarterly magazine the London Mallet. My thanks go to Richard Criddle and his team for the upkeep and creation of these important communication channels. As ever my undying and heartfelt thanks to all on the Secretariat and Jonathon Wallis' Ceremonial teams who make this meeting happen and who ensure the smooth running of the Province throughout the year. I have already thanked Robert Anderson for his past services and he, having passed the Secretary's quill pen to Gurdeep Virdee, I wish you, Gurdeep, all the very best in your new and demanding role. Brethren of the Province of London you and I are blessed with an excellent Executive team of Chains, Treasurer and other hard-working individuals who keep the show on the road 365 days of the year and on a voluntary basis too! You know who you are Brethren and for your continuing efforts you have my very grateful thanks.

To our musicians, the London Celtic Pipes & Drums; our trumpeter W. Bro. James Deller, the Organist and Deputy Organist W. Bro. Bob Alder and V.W. Bro Doug Black, thank you for your memorable and talented contributions to today's programme.

At the very start of this Address, I mentioned the honour and pleasure I have of holding the Office of PGM. My continuing in that role is only possible

through the support and affection, however great or small, I derive from each and every one of you. Thank you all most sincerely for the continuance of that support. I would like to end this Address by thanking all the outgoing Officers and congratulating all those who I have had the greatest of pleasure this afternoon in Promoting in and Appointing to, Provincial Grand Rank. May you all enjoy your appointments Brethren, and may the honour of those ranks bestowed, lead you to an even greater affection and level of service towards this wonderful Province of London.

May the GOOTU bless and keep you all safe, until we meet again.

**May the Great Overseer of the Universe
bless and keep you all safe, until we meet
again.**

REQUIESCENT IN PACE

Report of the Provincial Grand Almoner

You will forgive me if this year's report is very like those of the past two years, except there have been a number of applications for assistance since last year. These, however, have not been related to the increase in cost of living but to a variety of misfortunes in peoples' lives.

The Masonic Charities not only have considerable funds at their disposal, but also an ability to advise brethren when they fall on hard times or the unexpected happens. What they are not, however, is a substitute for either state benefits, legal representation, or a direct line to medical care. In every instance a Brother must seek professional help, and, if financial assistance is necessary and he qualifies, the MCF and MBF can be called upon.

Lodge Almoners should have some knowledge of what is available or at least how to obtain such information. A Brother in distressed circumstances may just need someone to talk to, but it helps if he can be directed to the resources he needs. Government and Local Authority websites generally have reasonably straightforward pages regarding benefits, and Citizens Advice Bureaux are staffed with people with expertise.

The Masonic Charitable Foundation has the greater resources and advisers and can be accessed direct. The Mark Benevolent Fund requires that an application goes through the Provincial Almoner and is approved by the PGM but is also able to make emergency grants.

Once again, I encourage Almoners to keep in touch with their Lodge members, especially those who are not attending.

Lastly, I am now actively liaising with the Metropolitan Grand Almoner if an applicant is a London Craft Mason. If he is not, I will endeavour to do so with his Provincial equivalent.

Report of the Provincial Grand Treasurer

My script says that I have nothing to add to my report; that alone would guarantee that I have!

The Provincial accounts and those of our benevolent fund have of course been circulated and are on our website. Clearly no one has looked at them, except for one observant member who commented on the change of auditors for our benevolent fund. The excellent firm of Sterlings Ltd has had to retire. This I assure you, and especially given the somewhat strange and heavy accent of our Provincial Grand Master, is not a decision akin to the Scottish National Party. The explanation is far simpler. I became a partner in Sterlings Ltd, as a result of which they are ineligible to act and Shenkers LLP will shortly be nominated.

For the first time in my term as Treasurer, I have proposed an increase in dues. The explanation is again straightforward; if you want to hold the AGM in the Grand Temple and these surroundings, the costs have substantially increased.

Finally, you may have noted that we made a significant surplus in 2021 but a deficit in 2022. Covid prevented a 'live' meeting in 2021 and two were held in 2022. Despite our PGM asking me to remove my reported comment in my official report in the order of proceedings, I would just note that I can achieve a much better financial result if there is no AGM.

Report of the Provincial Grand Secretary

It is both an honour and a privilege to present this my Fourth and Final Report as Provincial Grand Secretary.

As of 1st June 2023, the Province had the following membership analysis:

109 Mark Lodges, consisting of 3,364 memberships and comprising of 2,458 members.

This is level with memberships and 10 more members than 1st June 2022.

87 Royal Ark Mariner Lodges, consisting of 1,964 memberships and comprising of 1,583 members.

This is an increase of 41 memberships and 35 members than 1st June 2022

These figures are most pleasing since last years candidates were the fruition of all of the recruitment during the Covid years.

In addition, since my last report, the Provincial Secretariat has welcomed two new members.

Kevin Hendle now manages the membership list and has quickly implemented changes which have greatly enhanced its functionality.

Stephen Schofield, who has been managing the Installation Return Process, has made such an impact that today sees him appointed as Provincial Assistant Grand Secretary in charge of the Full Team Visit & Delegation organisation. Our grateful thanks go to John Waggott, who has accepted a more responsible (and time-consuming) job in 'the real world.

Gurdeep Virdee and John Waggott continued to excel in their respective roles last year and are most deserving of their Grand Stewards Chains.

Forbes Cutler's further progress with the Provincial and Grand Lodge invoicing process continues to bear fruit, and he is today promoted to Provincial Deputy Grand Secretary.

Andy Pearce has maintained his excellent administration of Lodge Summonses. In addition, we thank him for the first class production of today's Order of Proceedings booklet.

Our thanks go to Mark Sharp for his continued superb management of the Provincial Visits to other Provincial Grand Lodge Annual Meetings, as well as the many other Provincial administrative duties he performs.

Ameet Watts has managed the organisation and bookings for today's fantastic meeting and banquet. Not to mention sourcing the bottles of Port...!

And a final team mention to Richard Criddle, Provincial Communications Director and ex-officio Provincial Secretariat member, without whose communications and systems know-how, we would all be lost.

All these individuals, as well as Simon Walsh (Provincial Deputy Grand Secretary 2019-2021), have contributed to make the Provincial Secretariat the success it has been for the last 4 years. Collectively we have delivered, what I consider to be service of the very highest standard: to the Province, to the Lodges, and to every Member.

All administrative processes are now digital and bespoke. My last goal, a paperless electronic honours appointment system, which was identified for change at my appointment, will be achieved with the Provincial RAMGR notification process later this year.

The new management system will drive email to automate the notification, acceptance, payment management, and process summarisation of the operation.

I would like to take this opportunity to place on record my heartfelt thanks to each and every team member, for their selfless support in offering the very best service to the administration of this wonderful Province.

We owe each of them a huge debt of gratitude.

I would like to thank R. W. Bro. David Ashbolt for granting me the initial opportunity to serve the Province.

And finally, I would like to thank R. W. Bro. Thomas Quinn for offering me the Role of Provincial Grand Secretary.

Change is inevitable in the evolution of every organisation, and it is good for someone with new ideas and perspectives to further develop the Provincial Secretariat.

I wish my great friend and successor, Gurdeep Virdee, good luck for the future. It can be a very demanding, but extremely rewarding role and I am sure that Gurdeep will meet all challenges head on and with the greatest of success.

I have greatly enjoyed my time as Provincial Grand Secretary and will continue to support the Province in every way I can.

The Advanced Guard

The following is the roll we have compiled of those Brethren active in the Province known to have completed 50 years, or more, of distinguished service to the Order since the date they were advanced. This may, of course, have been in another Mark Lodge at some distance from London.

There are almost certainly others, and Secretaries/Scribes are asked to inform the PGSec. so that their names can be included in this roll in the next Year Book.

Further information about other Orders meeting in London

Knights Templar

First traces of this order are found in 1778 with Thomas Dunckerley in the Royal Arch Chapter of Friendship at Portsmouth – ‘making Templars’ In 1779 The Templar Degree was being worked under York Grand Lodge, and by 1780 there was a Supreme Grand Royal Encampment at Bristol and subsequently in 1791 a Grand Conclave with Dunckerley presiding as Grand Master Co-incidentally the headquarters were shared by the Royal Ark and Mark Mariners of which Dunckerley was Grand Commander The Order made slow progress and up till the 1870's many different rituals were being practised, a standard working was produced around this time. The order comprises two orders, separately conferred. The second, the Malta degree being preceded by a short degree named Knight of St Paul and the Mediterranean Pass. The regalia is based on the clothing of the medieval Templars and Knights of Malta The degrees are Christian in nature and require a belief in the Holy Trinity.

The Red Cross of Constantine

This order was re-constituted in 1865 by a group of notable Freemasons of that time, with Sir W H White being elected first Grand Sovereign, with a Grand Imperial Conclave being formed. There is some doubt as to whether the order actually existed before this time

The degrees are thought to have been worked by the Royal Grand Conclave of Scotland with the last recorded conferment of the degree of Red Cross of Constantine in 1857.

The Order consists of more than one degree, and to each Conclave is attached a Commandery, wherein the additional degrees are conferred.

The Order of the Secret Monitor

The degree of Secret Monitor was brought to England from America by Dr I Olliver who in 1887 formed a Conclave and subsequent Grand Council of which he became Supreme Ruler Also known as the Brotherhood of David and Jonathon he degree lays emphasis on true friendship and loyalty and relates to history originating from the book of Samuel.

The Scarlet Chord

The Ancient and Masonic Order of the Scarlet Cord is the most recent Masonic Order to become widely accessible to brethren in the United Kingdom and is one of the fastest growing Orders in Masonry today.

It is open to Members of the Order of the Secret Monitor, and it remains very closely associated with that Order, indeed some of its ritual dates back to previous versions of the Secret Monitor degrees.

Like most Masonic Orders, the Order of the Scarlet Cord's ceremonies are based upon biblical allegory, centred on incidents found in the Old Testament. We are told about Rahab, who hid the Jewish spies from the King of Jericho's Guards, and of Ruth and her eventual marriage to Rahab's son, Boaz, and the birth of her own son, Obed, who was the grandfather of David. After David's death, and that of his son Solomon, we learn of the later years of the Temple and the eventual loss of its treasures.

Historically, the story ranges from the Siege of Jericho through the fall of the First Temple and eventually to the fate of the Second Temple and revolt of the Maccabees.

Royal Order of Scotland

There is only one Grand Lodge of the Order, formed in 1767 and situated in Edinburgh. The two Degrees are conferred only in Provincial Grand Lodges, these being Heredom of Kilwinning and in an attached Provincial Grand Chapter Rosy Cross. The former is traditionally concerned with David and the latter Robert Bruce.

Membership is by invitation only.

Royal and Select Masters

Governed in England by Grand Council which was formed in 1873 by four councils chartered from the Grand Council of New York, USA The Order is made up of four related degrees, Select Master, Royal Master, Most Excellent Master and Super-Excellent Master In historical sequence all four precede the Holy Royal Arch ceremony and relate to events beginning with the completion and dedication of the first Temple at Jerusalem The regalia departs from the normal four sided apron in using a triangular apron.

Order of the Allied Masonic Degrees

In 1880, the Grand Council of the Allied Masonic Degrees was established This consisted of St Lawrence the Martyr, Knight of Constantinople, Red Cross of Babylon and Grand High Priest In 1902 the degrees of Grand Tiler of Solomon, Secret Monitor and the thirty-three degrees of the Holy Royal Arch Knight Templar Pries' were added In 1925 the Knight Templar Priest degrees were given back to Grand College at Newcastle, In 1931 the degree of Secret Monitor was returned to the order of that name.

Whilst colourful regalia represents each degree, members are only required to wear five jewels, usually in miniature form, or a single composite jewel.

The Worshipful Society of Free Masons

Known as the 'Operatives' due to the old operative rituals used in its ceremonies Interestingly, of the Three Grand Master Masons who jointly rule the Society, the first and second hold office for life or until they retire, but the third is ritually 'slain' every year and another brother appointed in his place There are seven degrees in total.

The Societas Rosicruciana in Anglia

The S R I A is an independent Christian Society organised into nine grades Apart from its Rituals the members are encouraged to produce papers or to join in the discussions which arise The Society was formed in 1867 and has Colleges in Europe, Australia, New Zealand and Canada.

The Holy Royal Arch Knight Templar Priests

Believed to have originated in Ireland in the early 1800's, John Yarker (1833-1913) started a Tabernacle with respective governing Grand College in Newcastle around this time The Order was taken under the wing of the Allied Masonic Degrees for a period of time and was returned to the Grand College at Newcastle in 1925 when it had re-established itself Thirty three degrees are controlled, only one is worked with the others being communicated by name.

The Bull Agency

Design & Advertising

Design informs every aspect of your interaction
with your customers and so should be presented in
a way that lifts expectations and creates conversation.

The reason why we do what we do is for that
moment when a client's brief starts to evolve into
a piece of design. That moment when you know
you are onto something, when the design that is
appearing in front of you has a structure and a
harmony that you instinctively know fits the brief.
