

The London Mark Provincial Skydive

This year four London Mark Provincial Officers are being 'gently' pushed out of an airplane at 10,000 feet in the name of charity!

- 'Wing Commander'** - Stacy Harman Prov.G.Ch.Stwd.
'Wingman Alpha' - Constantine (Costa) Trizis Prov.A.G.Chap.
'Wingman Beta' - Robert Anderson Asst.Prov.G.M. Designate
'Wingman Charlie' - Christopher (Chris) Bamforth Damp Asst.Prov.G.M.

These four London Mark brethren will be jumping to raise funds for the London Mark Benevolent Fund (LMBF), whose aim will be to donate the proceeds to small London charities to raise funds for their respective causes. They will be completing the skydive on **25th July 2024**.

The sense of adventure is 'high' and we are sure that the team will reach its target with only the 'sky' being the 'limit' as these intrepid adventurers 'dive' for the Province!

London Mark members, please support these daredevils by clicking the link below and donating towards their efforts.

You can donate to the team collectively via the Provincial Jump Team page, or to a single member of the team to allow for some banter.

All donations go towards the team's collective total.
